**After the introductory rate, the Annual Percentage Rate (APR) will vary based on changes in the Index (the National Prime Rate published in the *Wall Street Journal*). The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Federal Reserve Bank. Changes in the Index will take effect beginning with the first billing cycle in the Month following a change in the Index. Increases or decreases in the Index will cause the APR and regular periodic rate to fluctuate, resulting in increased or decreased Finance Charges on the Account. As of September 25, 2007, the Index was 7.75%. The Account will never have an APR over 21%.

***If you allow your Account to become 60 days past due, we may increase your APR on all balances to a higher rate APR equal to the Index plus a margin of 10.9% up to a maximum of 21%. However, if your APR is increased, your Account may become eligible for a lower APR if you make timely payments for three consecutive months.

If you do not qualify for a Platinum Flex Miles Card and you qualify for a Classic Card, you will automatically be offered a Classic Flex Miles Card.
